Raquel –

I checked in with Kelly Zito and Bill Keener and they suggested that it is probably best to provide my contact information to Joe Sheehy in Congresswoman Napolitano's office so that should the Congresswoman or her staff wish to reach out, I can make a determination if Enrique Manzanilla or Jared are available to talk with the Congresswoman. I have worked with Joe Sheehy a lot and if you want me to send him a message back, just let me know. Thanks.

Hi Brent,

Congresswoman Napolitano wants a contact name and number to call if she wanted to discuss the situation. I spoke with my OCA DAA and she suggested I contact Kelly Zito to let her know about Napolitano's request and perhaps Kelly could provide a good name and contact #. I wanted to let you know and see if you wanted to send this to Kelly?

Many thanks,

Hi Raquel,

I am Ranking Member Napolitano's personal office staffer. Thanks for sending this information along

to us through Mike Brain. I will send this to the Congresswoman. The Congresswoman would also possibly like to contact someone at EPA to discuss this further. Who do you recommend she contact if she wanted to talk to someone at EPA directly and what is the phone number? I don't know when/if she would call. She just said she wanted a contact and phone number.

Thanks,  
Joe
